STANLEY HUPFELD ACADEMY THURSDAY NOTE

April 19, 2018

Intent to Return

Please complete the "Intent to Return" form. These are marked with a time/date stamp and are used to secure your place in the enrollment process. This is a critical form as it allows us to know your plans to return to SHA. This does not complete your enrollment for the 2018-2019 school year. Enrollment for next year will occur during the first weeks of May. If you have moved out of area, please let us know this on the intent to return form. You will be placed on our "Out of Area" waiting list.

Stanley Hupfeld Academy's Mission

We are a neighborhood PreK-5th grade charter school whose mission is to serve the students within our boundary location. We currently have a limited enrollment of 330 students. Your intent to return form is a critical component to secure your place in the enrollment process. We have limited spaces available in every grade level.

Return your "Intent to Return Form" today!
