POSITIVE DIRECTIONS MENTORING PROGRAM

Children need consistent, caring adults in their lives to help guide their development. Sadly, many don't have this.

Test scores, attendance and behavioral issues improve when a child has a mentor.

You . . .

- Can make a difference in a child's life
- Can be a positive role model
- Can help a child succeed
- Can be a mentor!

Invest one hour per week of your time. Help a child build his or her self-esteem, establish positive relationships, overcome negative behaviors and improve classroom participation.

We need volunteers one hour per week, during the school day at Stanley Hupfeld Academy at Western Village (the INTEGRIS Health charter school) located at 1508 NW 106, Oklahoma City.
