Stanley Hupfeld Academy creates a community of lifelong learners through
positive connections and a rigorous, integrated curriculum to inspire excellence.

Dear Parent/Guardian:

Attached to this letter is a copy of our school's 2023-2024 Oklahoma School Accountability Data Report. This report is to provide you with information of how our school is doing in meeting the requirements of the federal law. Please note that these are the scores from 2024 testing cycle. We are pleased that SHA received a "B" as our overall score. To check out other school report cards you can go to: <https://oklaschools.com>

We will continue to work diligently to implement educational programs that move our students to success and are aligned with the Oklahoma Academic State Standards. The State Report Card is comprised of four areas which include: Academic Achievement, Academic Growth, English Language Proficiency Assessment (ELPA Progress) and Chronic Absenteeism.

During the 2024-2025 school year we continue effective initiatives that have had a significant impact on our students' learning. These include:

- Targeted Interventions for struggling readers, including free after-school tutoring
- Incorporating more Non Fiction Reading Materials
- Targeting our most at-risk learners through the Response to Intervention Model
- Targeting school climate with the Positive Behavior Intervention Supports Model
- Increase Digital Teaching & Learning with a focus on Math and Science
- An intensive review of our Math Curriculum
- Professional Development Opportunities for our staff
- Parent Outreach to reduce our student truancy
- Continue to provide interventions for our second language learners

We are proud of the accomplishments of our students, applaud our staff for their dedicated efforts in ensuring student learning, and recognize your support as an integral part of our success. By analyzing data and targeting the needs of our students, we are confident that we will continue to make gains in each academic area. If you have questions regarding the State Report Card, please do not hesitate to contact me.

Sincerely,

Ruthie Rayner
