Message from the Principal:

Dear Parent/Guardian:

Attached is the school's 2014-2015 Oklahoma School Report Card issued by the State Department of Education. The report card shares information of how our school is doing in meeting the requirements of the federal law in regards to student achievement. Please note that we continue to work with all students, make data driven decisions and provide scientifically based interventions to ensure that all students are receiving the best education.

We will continue to work diligently to implement educational programs that move our students to success and are aligned with the state standards. During the 2016-2017 school year we have taken on many new initiatives that have had significant impact on our students' learning. These include:

- Incorporating more Non Fiction Reading Materials
- Targeting our most at-risk learners through the Response to Intervention Model
- Targeting school climate with the Positive Behavior Intervention Supports Model
- Aligning our Curriculum Maps
- Implementing the Leveled Literacy Intervention program

We are proud of the accomplishments of our students, applaud our staff for their dedicated efforts in ensuring student learning, and recognize your support as an integral part of our success. By analyzing data and targeting the needs of our students, we are confident that we will continue to make gains in each academic area. If you have questions regarding the accountability report, please do not hesitate to contact me.

Sincerely,

Ruthie Rayner

Ruthie Rayner
Principal
